CENTER FOR WORLD MISSION

Dear Partners in Ministry,

Monday, October 24th, 2022

Planting a network of seminaries across Central Africa is a serious, gargantuan task. It is serious because, without an earnest commitment to the study of the Scriptures, students will not be thoroughly equipped to declare the Gospel and make disciples of nations. Mature pastors are needed to plant Christ-centered, healthy, multiplying churches in the midst of a continent often facing disease, poverty, and corruption. The mission of TCWM demands no less than a fierce, sober commitment to understanding and living out the doctrines of grace.

Our task is not for the timid or easily discouraged; it is hard work. It requires courage, risk, and commitment to making disciples, and perseverance in the face of great obstacles.

Those who dare step into the arena are convinced that the work of TCWM in Africa is essential and critical to the building of the Kingdom of Christ. TCWM is a serious response to the Great Commission.

As this year comes to an end, we call on our donors who understand that this work is just what Africa needs. Without trained, faithful shepherds, the sheep will scatter. Will you make a serious commitment toward our Victory Fund so that we may finish this year strong with sufficient resources to go forward in 2023? By God's grace, and through the commitment of our board members, staff, and top donors, we have already raised \$54,000, approximately 13%. But there is still more work to be done.

Let us join hands and give a serious gift for the glory of Christ,

Pete Anderson
Founder, TCWM

Dearest Friends, Greetings in Jesus' Name!

The enemy presses against us. The need has never been greater. People everywhere feel the constraints of the economy, but the kingdom of God must go from glory to glory. The show of God must go on, until HIS name is lifted high over all the earth. That's the most important thing. The Victory Fund flyer enclosed will ask you to make a sacrificial year end gift to allow us to finish what we have started this year. Our funding has been down over the past few months and we will not be able to accomplish what we set out to this year without people standing in the gap for us. Thank you for praying over this matter and committing it to God in faith. I pray that you and your family will be blessed by the unconditional love of God as this year draws to a close.

Thank you in advance!

Doug McNutt
President, TCWM

TRINITY CENTER FOR WORLD MISSION'S

VICTORY FUND

2022 YEAR END STRATEGIC
OBJECTIVES FOR AFRICA

1 John 5:4 says, "For everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith." In the salvation of Christ, we have not only personal redemption, but the body of Christ as a whole has overcome the world. We have been given authority to proclaim and advance this Heavenly Kingdom despite the attacks of the enemy. A little piece of this Kingdom victory awaits TCWM over the next 12 months as we seek to push back the kingdom of Satan's spiritual darkness and error in Uganda, Tanzania, and Rwanda.

Stand with us in prayer that the Lord would grant us this victory. Would you consider a one-time or new recurring gift between now and the end of the year to contribute toward the Victory Fund?
