May 12, 2017

Dear Christian Friends,

We are on the verge of a very special event. In just eight weeks, on July 17, Trinity Center for World Mission will dedicate its new, 690-seat auditorium/training center in Kapchorwa, Uganda. We are excited and very busy!

## **Why are we constructing this building?**

1. It is located in Kapchorwa, Uganda, the home of one of our largest branches of Trinity Biblical Institute. There was not a large enough meeting place available in Kapchorwa.
2. We needed a central place to train all our prospective teachers and country coordinators – we have identified 85 possible teachers and coordinators **from 11 different countries in Central Africa**. We have excellent materials, but to be a quality Bible College, we must train our teachers regularly. Our first training classes begin on July 19.
3. We needed a central and safe place to establish a large library that will be a resource for our students throughout Central Africa.
4. In this building in the evenings, about 200 students can sleep on foam mattresses.
5. We had no offices in Africa, and needed space for coordinating our ministries.
6. Two of our branches are in places where there is a civil war – South Sudan and Congo. And two more of our target countries, Kenya and Rwanda, have elections this year, and this often brings violence and instability. Now we have a safe place to invite at least the leaders from these countries so that our branches of TBI can continue in these areas.
7. Several of the courses we teach are focused on training pastors. Now we can invite up to 700 students and pastors for specialized training in preaching, counseling, evangelism, and church planting.
8. This will be our launching point to reach deeper into Africa. After our initial faculty training, we will divide into two groups and proceed to our branches to teach. Our target countries in the next six years include Uganda, Kenya, Rwanda, Congo, Tanzania, Ethiopia, South Sudan, Zimbabwe, Cameroon, Malawi, and Burundi. At times it will be a rough ride, but by the grace of God we must go.

Would you consider helping send us to the nations? Funding for the construction of this building is nearing completion. Now we need approximately \$14,000 for furnishings for this building; this expense includes chairs, tables, marker boards, mattresses, mosquito nets, and a sound system. To send teams to four countries in July is more than \$24,000.

If you can give a gift toward this need, mail it to Trinity Center for World Mission; P.O. Box 580; Dahlonega, GA 30533, or you can go online and donate at <http://www.trinitycwm.org/donation-form/>

TCWM is a 501(c)(3) organization.

Thanks so much for your prayers and financial support.

Going to the nations with the Precious Gospel,

*Peter W. Anderson*
