## **Planting Churches that Plant Churches that Plant Churches**

Dear Friends excited about the growth of Christ's Kingdom,

Some twenty years ago, I first came to Eastern Uganda, and after several years we oversaw the planting of about a dozen churches that became Kapchorwa Presbytery. Later we helped start a radio station and four years ago, we started Trinity Biblical Institute, a four year training institute, that continues to expand by adding branches in Central and East Africa. Now something amazing is happening: our students at Trinity Biblical Institute are starting churches, three of them on the slopes of Mt. Elgon.

Let me introduce to you Kablyo Presbyterian Church. Kablyo Church was started by a group of Christians who were won by listening to Christian messages on KTR radio, our FM radio station. The church is now a mission church led by a fourth year student at TBI and a church planting team. They meet in this building, a nursery school. The church is sponsored by three of our church plants, Serere Presbyterian Church, Kapwata Presbyterian Church, and Chepkwasta Presbyterian Church.

Muzee Frances (seated below) guides and coaches this group and several others. This is what we love to see: **our church plants are planting churches that are planting churches that are planting churches.** This is an example of what can happen across Central and East Africa.

## Report from the Field

In the past five weeks, we have taught 896 students at five branches of TBI. Our students are maturing in the Christian faith. These classes included students from South Africa, Zambia, Zimbabwe, DR. Congo, Burundi, Kenya, Rwanda, Uganda, and various tribes that have heard about our ministry. One day these students will be released for ministry across Central and East Africa and we expect many more church plants with trained pastors. We do not know what God will do, but we have a model that God is blessing. Christ has promised, "I will build My church and the gates of hell will not prevail against it."

## Would you be willing to invest in planting Kabelyo Church?

This young church needs Bibles, a sound system for crusades, and a small plot of land for their church. Their budget for all this is \$8,250.

In addition, to train more church leaders, we will soon break ground on a classroom building at our headquarters. \$51,000 has already been pledged. We need \$32,000 to complete this building.

If you can give a tax-deductible gift toward this Kingdom work, please mail it to:

Thank you for your consideration of this strategic ministry of making disciples and planting churches in Central Africa.

Because Christ loves His Church and gave Himself for her,
