Dear Friends,

Greetings from Africa! Thank you so much for praying and giving this year.

On the photo to the right, you can see the recent headlines of the second largest newspaper in Uganda. The governments in Uganda and Kenya are requiring a theological certificate. Why? Because most pastors have never been trained. Millions of new Christians are never taught the Gospel of Grace.

Tens of thousands of pastors need to be trained. What is part of the answer to this need? Trinity Center for World Mission and Trinity Biblical Institute!

Africa is a big place; it's the home to a billion people. It is the future of Christianity; tens of thousands of churches are being planted there each year. As a result of this amazing growth, more than 90% of these churches have no trained pastors.

Trinity Center for World Mission has found its niche in Africa. We want to fill this gap. Our growing faculty needs your help to advance through Central Africa.

We have selected 11 open countries where we desire to plant theological schools, which we believe will result in hundreds of trained pastors ready to go into the harvest, evangelize, make true disciples, and plant churches.

This map of Africa highlights our mission field, ripe and ready for harvest.

We invite you to pray for and support financially the Campaign for Central Africa. Together, we can reach millions with the Gospel! Thank you for your generous gifts in 2018.

Peter W. Anderson
