- 1 Praise God for Pastor Francis Owoyesigire’s radio ministry in Uganda. In addition to proclaiming God’s Word weekly in worship services, he has been addressing child abuse and domestic violence from a biblical perspective. During the lockdown the child abuse and domestic violence rates have risen.
- 2 Pray for the TCWM Presidential Search Committee as they review the initial candidates from Mr. Gene Head.
- 3 Pray that the pandemic would not steal our joy.
- 4 Pray for Fred Kabenge and the TBI governing council in Uganda as they submit a proposal to the government for a safe way to reopen the school this fall, specifically, that the plan would be approved and students allowed to return safely to classes this fall.
- 5 Pastor Francis asks us to pray that God will give him traveling mercies as he travels to radio stations almost daily. Pray for God’s provision to meet the costs. And pray for clarity in the presentations.
- 6 Pray for our donors and donor churches as many of them have more needs and less income. Pray that the Lord Jesus who owns the cattle on a thousand hills will provide all of our needs!

- 13 Ask God to provide money for student scholarships for Trinity Biblical Institute in Uganda, Rwanda and Kenya.
- 14 Thank God for how He has preserved the lives of our Ugandan and US staff members as they travel and meet with many people. Pray that God will continue to protect the health of our staff members.
